

**PP-08625247 – Proposed retained track, gateways, concrete pad and hard standing at field near Greensyke, Lamplugh – J Palmer**

Photos of site – N.B improved vision for pulling out onto narrow road.

Hardstanding and track

Hardstanding and gate

Looking westerly – hardstanding and concrete pad

Concrete pad. N.B narrow road which is difficult to pull out onto with large machinery.

Hard standing and track looking easterly. Track means stock and machinery can safely be moved without having to use road.
