

**PP-08804221 – Proposed retained gateway, hard-standing and concrete pad at field north east of Mafeking Wood, Frizington, Cumbria – Mr W Connor**

**Photographic Evidence of Site**

This is the original gateway prior to the WCWSP, note it is the same location. Should approval be refused for this planning proposal, United Utilities will return the gateway to its original condition.

Gateway, hard-standing, concrete and fencing to be retained as part of this proposal.
