

T1. Ash

Holly

3 Foxhouses Rd, CA28 8AE
Rear garden

T2. Sycamore

Proposed tree works:

1. Remove T1 Ash that overspans walls and lean precariously over garden. Replace with a fruit tree, which will not grow as large.. This will ensure safety of walls and provide growing light for other plants
2. Remove T2 Sycamore that overspans walls Replace with a fruit tree, which will not grow as large.. This will ensure safety of walls and provide growing light for other plants
