

This drawing is based on the following plan, prepared by Manning Elliott Architects.

1931-PL219 F

Note
The details shown here are for planning purposes only and not for tendering or implementation. Further planting design development is required for implementation purposes, especially in relation to tree species selection, access and visibility requirements and more detailed CDM review need to be taken into account.

revision	description
R 04	10/06/2022 received for new layout
