This scheme is subject to town planning and all other necessary consents.  
 Dimensions, areas and levels when given are only approximate and subject to site survey. All dimensions are to be checked on site. Any discrepancies or omissions are to be reported to the architect immediately upon commencement. Final dimensions apply for the construction of the building.  
 This drawing is to be used in conjunction with all relevant consultants' and/or specialist investigations and any discrepancies or omissions are to be reported to the client before the building work commences.
