METER WIND TURBINE AND REMOVAL OF ALL ON SITE CABINS**

Thank you for your consultation on the above Planning Application.

The Local Highway Authority and Lead Local Flood Authority can confirm that we have no objections to the proposal, we would however recommend that the following conditions are included in any consent you may grant:

#### **Condition 1:**

**Public Right Of Way (public footpath/bridleway/byway) number 417007 Lies adjacent to the site, the Applicant must ensure that no obstruction to the footpath occurs during, or after the completion of the site works.**

**The applicant should contact the Countryside Access Team**

**to discuss the need for a Temporary Closure Order on PROW 417007.**

**The applicant should be advised that, The granting of planning permission would not give the applicant the right to block or obstruct the Public Right of Way**
