

Copeland area Planning Department, Cumberland Council

For the attention of Planning Officer

Date: 22 April 2026

Your reference: 4/26/2107/0F1

Dear Planning Officer

CONSULTATION ON PLANNING APPLICATION

Appn: 4/26/2107/0F1
Site Address: 32 ENNERDALE TERRACE, WHITEHAVEN
**Proposal: CREATION OF DRIVE WAY AND INSTALLATION OF DROPPED
KERB TO PROVIDE A DOMESTIC ACCESS TO FRONT OF
PROPERTY**

Thank you for your consultation on the above Planning Application.

The Local Highway Authority (LHA) and Lead Local Flood Authority (LLFA) can confirm as follows:

The provision of a full width dropped kerb will reduce on street parking opportunities for other road users; however, this is considered an amenity issue rather than a highway safety concern. On this basis, no objections are raised to the proposed development. The applicant is advised to ensure that the proposed access is suitably drained to prevent any surface water discharging onto or off the highway.

Informatives:

If the application is approved, the applicant must not commence works, or permit any person to carry out works, on any part of the public highway until the appropriate permit has been obtained. The applicant should contact Streetworks at streetworks.cumberland@cumbria.gov.uk to apply for the necessary permit.

Yours sincerely

June Farquharson

Assistant Development Management Officer
