RE: 4/24/2130/0F1 - WORKSHOP AND PREMISES, OUTRIGG, ST BEES

Good afternoon

Thank you for the opportunity to comment on the above planning application. This response from the Joint Emergency Management and Resilience Team relates to emergency planning arrangements in the unlikely event of an incident occurring at Sellafield Ltd. The Sellafield site is currently covered by the provision of the Radiation (Emergency Preparedness and Public Information) Regulations 2019.

The location of the land is situated outside of an area referred to as the Detailed Emergency Planning Zone (DEPZ), therefore no direct liaison with the applicant is required in relation to warning and informing information. However, it is advisable to signpost the applicant to the Cumberland Council Emergency Planning webpage which will assist with general information about the Sellafield Site, please see link below:
