RE: LAND TO THE REAR OF CHURCH ROAD/MAIN STREET, DISTINGTON

Good afternoon

Thank you for the opportunity to comment on the above planning application. This response from the Joint Emergency Management and Resilience Team relates to emergency planning arrangements in the unlikely event of an incident occurring at Cyclife UK Ltd.

The Cyclife UK Ltd site is currently covered by the provision of the Radiation (Emergency Preparedness and Public Information) Regulations 2019. However, it has been established that there is no emergency planning zone required for this site.

There are no objections to the proposed works.

Regards

Jane
