Good morning

Seascale Parish Council submit a demolition Objection to the above planning application for the following reasons:

- How is the site to be accessed as the Seascale and Gosforth road as it is not designed to cope with the level of traffic referred to
- Therefore significant improvement need to be made to this road
- Access road leading to the site is designed for parking, not HGV traffic
- What is the contract management plan
- How will contractor parking be accommodated

Therefore Seascale Parish Council request sight of a clear traffic and travel plan.

Also a document setting setting out the management control of demolition emissions, especially asbestos risk.

Regards

Jill Bush  
Clerk/Responsible Financial Officer  
**Seascale Parish Council**
