Dear Sirs

Further to United Utilities response ref DC/23/3944

- 1) Foul & Surface water Disposal - Attached is drawing SP-202301-03 showing the route and the off site discharge point of the existing surface water drainage system.
- 2) Existing Water Mains - The only area of proposed works adjacent to an existing water main is the removal & re-building of the boundary wall at the entrance. The Contractor will be advised prior to commencement of the works.
- 3) Waste Water Treatment Plant - It is located approx 17metres south of the new dwelling as shown on drawing SP-202301-01 - Foul & Surface Water Disposal scale 1:1000

Yours Sincerely

Stephen Poultney
