INSULATED

"Having used a wooden foster pen previously, I can personally say that the quality and reliability of this product is far superior and makes my job a lot easier. I am able to spend more time with the foster cats as there are no maintenance issues requiring my attention."

Cats Protection, Stonehaven

The **Single Rescue Pen** features walk-in sleeping quarters with full-height ceiling and integrated shelf, an isolated private exercise run and secure key entry. The

Outer walls have a mixture of glazing and panel which can be specified when ordering.

Base Dimension

You'll need to provide a base the **exact size of the pen** and no more than 20mm longer or wider. For more information:

www.pedigreepens.co.uk/base
