Hi

It appears that it's 6 x 4 beds and 1 x 3 beds, all market housing. I would support the provision being 3 and 4 bed properties rather than anything smaller, given the size of the development and location.

Hi Julie

Sarah has emailed back and said the consultation was to look at housing mix? Hope this helps.

Thank you! 😊

Hi Oli

I think I'm usually asked to comment for 10 units and above? Is there something specific about this one you wanted me to look at?
