Dear Sir/Madam,

Planning Application, Change of Use, Unit 2 Old Prospect Works Distington

The application being submitted is similar to the approval 4/22/2285/0F1 dated 9th November 2022.

The original applicant has now withdrawn interest. The new application is however similar to the above but has a different site area, omitting the front office section (to be demolished), but includes two additional bays of the building.

The front section of the building is subject to a separate Prior Approval application, submitted in parallel with this application.

If you require any further information, please do not hesitate to contact me.
