Subject: RE: 4/24/2208/0F1 - FORMER BRICK HOUSE BAKERY TO REAR OF 27 MARKET PLACE, EGREMONT

Hi Christie,

Thanks for sending me the updated information on this proposal. I note the increased footprint of the extension by taking the rear wall out roughly 1m further, and the according change to the roof pitch. I do not believe this alters the impact of the proposal in heritage terms, or changes the assessment of it as a piece of design, so have no new comments to add.

Best wishes,
Sammy
