Dear Sir or Madam,

Subsequent to my recent site visit, I have pleasure in providing the following information.

The 3 Trees adjacent to the Garage in the garden of East Lodge are showing signs of decline and with the extreme bias towards the building and the heavy windage pushing them towards it I would recommend their removal. do not hesitate to contact me should any further information be required.

All of our services are comprehensively Insured and undertaken by suitably qualified, experienced and equipped staff, in accordance with all current Health and Safety regulations.

Site specific risk assessments and method statements are in place for every task.

No work is undertaken without necessary control measures being in place.

We fully comply with BS recommendations.

I hope this meets with your approval and look forward to hearing from you.
