Notes:

If we find, once work is underway, that some of the quoted items are not required, you will not be invoiced for those items.

Additionally, should United Utilities incur additional costs for carrying out work (or for paying others to carry out work) that is required due to your (or the respective SLPs) non-compliance with the general conditions and precautions and/or the terms of your water main diversion quotation and/or the provision of incorrect information to United Utilities, you will be responsible for such reasonably incurred costs. You shall be invoiced for such costs and shall pay them in full within 30 days of receipt of such invoice, without any set off, counterclaim, deduction or withholding.

In signing this form I confirm that I am authorised to complete and submit it (if working on behalf of a limited company) and I understand:

- That I will make payment of the costs before commencement of the work.
- That these costs may be subject to change if payment is not received within 6 months of the date of this letter.
- These costings may change if the work is not completed within three months of the date of acceptance
- That the payment may change if the information provided on the application form is found to be incorrect or incomplete and may be reviewed if the scope of the development and / or timescales are changed.
- That should United Utilities incur additional costs for carrying out work (or for paying others to carry out work) that is required due to your (or the respective SLPs) non-compliance with the general conditions and precautions and/or the terms of your water main diversion quotation and/or the provision of incorrect information to United Utilities, you will be responsible for such reasonably incurred costs. You shall be invoiced for such costs and shall pay them in full within 30 days of receipt of such invoice, without any set off, counterclaim, deduction or withholding.
- Should there be any private water mains / connection(s) within the site, any necessary disconnection or diversion of the private main(s) / connection(s) must have the approval of the pipeline owner and be carried out to our standards.
- All work will need to be carried out at the same time, as multiple visits may result in additional charges.
